

Attention Fire Chiefs and Firefighters:

Emergency Services Training (EST) now requires a completed affidavit for every firefighter that enrolls into any live fire training class. **One affidavit needs to be filled out for each firefighter and signed by the Department Chief.**

This year the live fire training classes are the West Wendover Fire Trailer and the 1403 Live Fire Training Class. If you have a firefighter enrolling into one of these classes, the affidavit must be filled out. If more than one firefighter is taking the class, more copies may be made of this form. This affidavit is no substitute for the proof of insurance that is required for all classes taken at the academy. **Submit proof of insurance and affidavit (if applicable) with your registration.**

Live Fire Training Affidavit

I certify that _____ is a member of my fire department, covered by workers compensation insurance during EST training, and has successfully completed training on the proper use of personal protective clothing (turnout gear) and self contained breathing apparatus (SCBA) and has satisfactorily demonstrated the knowledge and skills to safely participate in live fire training using turnout gear and SCBA. I also certify that the applicant meets the medical and physical requirements required by my department to perform the duties of firefighter.
